The Honorable Chris Murphy  
Chairman  
Subcommittee on Homeland Security  
Committee on Appropriations  
United States Senate  
Washington, D.C. 20510

The Honorable Shelley Moore Capito  
Ranking Member  
Subcommittee on Homeland Security  
Committee on Appropriations  
United States Senate  
Washington, D.C. 20510

Dear Chairman Murphy and Ranking Member Capito,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2023 Homeland Security bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

MARK R. WARNER  
United States Senator

**Warner, Mark(D-VA) Homeland Security  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Arlington County	Funding will be used to build a Situational Awareness Center (SAC) to manage and respond to emergency and special events in and around Arlington County, Virginia.	Arlington County VA	\$1,000
City of Portsmouth	Funding would go toward rehabilitating aging dam infrastructure critical to maintaining drinking water in Portsmouth.	Cities of Portsmouth and Suffolk VA	\$4,560
City of Danville	Funding will go toward flash flood mitigation in the City of Danville, Virginia.	City of Danville VA	\$9,138
City of Hopewell	Funding will be used to replace the functionally obsolete standby generator at City Hall in the City of Hopewell, Virginia.	City of Hopewell VA	\$187
City of Portsmouth	Funding would support the consolidation of several emergency response services into a new Public Safety Complex in the City of Portsmouth, Virginia.	City of Portsmouth VA	\$9,000
City of Virginia Beach	Funding would go toward expanding the information technology (IT) infrastructure of the City of Virginia Beach's Emergency Operations Center (EOC) to allow for activation at different City-owned facilities to protect continuity of operations and address expanding incidents.	City of Virginia Beach VA	\$1,125
Craig County	Funding will be used to upgrade emergency response equipment, including radios and antennae, for first responders in Craig County, Virginia, which will allow for swifter responses to emergency situations.	Craig County VA	\$2,625
Prince William County	Funding would be used to rehabilitate the aging Lake Jackson Dam in Prince William County, Virginia by creating a uniform concrete spillway to alleviate current maintenance and safety hazards associated with the nearly 100-year old dam.	Prince William County VA	\$3,750
Stafford County Economic Development Authority	Funding would assist the Virginia Smart Community Testbed in Stafford County, Virginia in developing a sustainable statewide flood sensor network.	Stafford County VA	\$3,000
