URBAN AFFAIRS  
BUDGET  
INTELLIGENCE  
RULES AND ADMINISTRATION

May 13, 2022

The Honorable Brian Schatz  
Chairman  
Subcommittee on Transportation,  
Housing and Urban Development,  
and Related Agencies  
Committee on Appropriations  
United States Senate  
Washington, D.C. 20510

The Honorable Susan Collins  
Ranking Member  
Subcommittee on Transportation,  
Housing and Urban Development,  
and Related Agencies  
Committee on Appropriations  
United States Senate  
Washington, D.C. 20510

Dear Chairman Schatz and Ranking Member Collins,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2023 Transportation, Housing and Urban Development, and Related Agencies bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

MARK R. WARNER  
United States Senator

**Warner, Mark(D-VA) Transportation Housing and Urban Development  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Virginia Supportive Housing	To provide affordable housing with supportive services for homeless and low-income individuals.	Albemarle County VA	\$500
Better Housing Coalition	To provide affordable housing with supportive services for homeless and low-income individuals.	Albemarle County VA	\$1,000
Boys & Girls Clubs of Central Virginia	Construction of a new facility for services aimed at high-risk and low-income youth.	Albemarle County VA	\$5,000
City of Alexandria	The AHDC Arlandria project is a multi-phase, mixed-use project that will combine 475 units of affordable housing (417 rental apartments affordable to households at 40 to 80% of the area median income (AMI) and 58 condominium units affordable to first time homebuyers with incomes up to 80% AMI).	Alexandria VA	\$2,000
Arlington Partnership for Affordable Housing	To acquire land to support the creation of affordable housing units.	Arlington VA	\$1,250
Virginia Passenger Rail Authority	Study phase for a dedicated bike-ped bridge spanning the Potomac River between Arlington, VA and Washington, DC.	Arlington County VA	\$5,000
Community Housing Partners Corporation	To construct energy efficient single-family affordable housing.	Blacksburg VA	\$300
Virginia Department of Transportation (VDOT)	Funds will be used for design and construction to widen a 2.21 mile section of U.S. 121/U.S. 460 to a four-lane, near the Southern Gap industrial park in Buchanan County, Virginia, to better promote economic development of this coal-impacted, economically distressed community.	Buchanan County VA	\$7,000
Twin County Airport Commission	Twin County Airport is requesting funds to extend our current four thousand two hundred foot runway to five thousand two hundred and fifty feet.	Carroll County VA	\$2,000
Piedmont Housing Alliance	Southwood Apartments will be a catalytic part of the larger Southwood community redevelopment, a resident-led re-envisioning of a trailer park being master planned and developed by Habitat for Humanity of Greater Charlottesville. Southwood Apartments will include 121 new affordable apartments, situated at the entry of the first phase of the redevelopment, located approximately four miles south of downtown Charlottesville.	Charlottesville VA	\$2,875
Prince William County	The Homeless Navigation Center (HNC) will be an approximately 30,000 square-foot facility located in the eastern portion of the County. The HNC will provide overnight, temporary, emergency sheltering and wrap-around services for up to 50 adults experiencing homelessness, while also providing a safe environment following Center for Disease Control guidance for social distancing.	Charlottesville VA	\$2,000
Piedmont Housing Alliance	To build an early learning center to serve residents of a low-income community.	Charlottesville VA	\$625
Piedmont Housing Alliance	To redevelop the Friendship Court neighborhood to provide current residents with new homes and better connect the surrounding area.	Charlottesville VA	\$575

City of Chesapeake	The greater Campostella Square community in Chesapeake faces numerous and extreme socio-economic challenges, characterized by a sizable low-income and undereducated population. The project will help provide additional recreational activities to an area with a high youth population and an improved sense of community pride. Wholesome recreational activities provide the desirable environment for growth and development of this area's youth. Obtaining funding for this project will allow the federal government to assist the City with this valuable resource to be added to an underserved area of the City.	Chesapeake VA	\$3,000
Virginia Polytechnic Institute and State University	Funding will go toward creating an urban living laboratory in Arlington and Alexandria for transportation-related smart technologies that can save lives, save transportation commuting times, help the environment, and spur economic development.	City of Alexandria and Arlington County VA	\$1,000
Virginia Department of Transportation (VDOT)	To provide for enhancements to rights-of-way, pedestrian crossings, signage, and landscaping at entry points for the beautification of the Portsmouth Boulevard corridor in the vicinity of the I-664 interchange.	City of Chesapeake VA	\$3,275
Town of Colonial Beach	Funding would be used to revitalize the Historic Excursion Pier in the Town of Colonial Beach, Virginia.	Colonial Beach VA	\$5,000
Appalachian Sustainable Development	Funding will be used to build out the remaining facilities needed to establish a Central Appalachia Agroforestry Corridor based in Southwest Virginia.	Duffield VA	\$9,000
Fairfax County Government	The concept for the redevelopment of the OMVHS includes an early childhood facility that will serve children from birth to age five.	Fairfax County VA	\$2,400
Bethany House of Northern Virginia, Inc	To increase capacity to provide short-term housing and life advancement services to women and children escaping domestic violence.	Fairfax County VA	\$325
Virginia Department of Transportation (VDOT)	Funding will help construct bicycle and pedestrian improvements from Blake Lane to near the entrance of the Vienna Metro I-66 westbound ramp. Improvements include a shared-use path along the south side of Sutton Road and a two-way cycle track and sidewalk along the south side of Country Creek Road and Virginia Center Boulevard.	Fairfax County VA	\$1,000
Virginia Department of Transportation (VDOT)	Funding will help go toward bicycle/pedestrian facility improvements for segments of the I-66 Parallel Trail.	Fairfax County VA	\$2,000
Virginia Department of Transportation (VDOT)	Funding would help complete the northern portion of the Mason Neck Trail.	Fairfax County VA	\$4,000
Virginia Department of Transportation (VDOT)	To construct a sidewalk along the west side of Great Falls Street from Haycock Road to Grande Lane, in Fairfax County.	Fairfax County VA	\$490
Virginia Department of Transportation (VDOT)	Funding will improve access to several Washington Metropolitan Area Transit Authority (WMATA) Metrorail stations as well as improve safety for bicyclists and pedestrians within Herndon and Reston.	Fairfax County VA	\$4,000
Virginia Department of Transportation (VDOT)	Funding will be used to establish a recreational park, Last Lock Park, in Botetourt County, Virginia.	Fincastle VA	\$4,471
Virginia Institute of Marine Science (VIMS)	Funding will be used to modernize the Virginia Institute of Marine Science's (VIMS) Visitor Center.	Gloucester Point VA	\$2,000

Harrisonburg Redevelopment and Housing Authority	To provide permanent supportive housing for the elderly, veterans, and persons with disabilities or serious mental illness with low-income.	Harrisonburg VA	\$500
Henrico Police Athletic League	Rehabilitation of Central Gardens building, a former Henrico County School, to be used as the headquarters for the Henrico Police Athletic League (HPAL).	Henrico VA	\$2,000
Henrico County	Funding will be used to for the restoration of Woodland Cemetery, a historic African American cemetery. This project will provide new roads throughout the cemetery, allowing for safer travel through the cemetery and address land erosion issues.	Henrico County VA	\$1,000
Greater Richmond Transit Company (GRTC)	Funding will go toward providing more shelters, benches, or ADA-compliant accessibility to bus stops along Henrico County's four main transit corridors.	Henrico County VA	\$1,275
City of Hopewell	To purchase a 95' ladder truck with a platform to increase the lifesaving and fire protection capabilities of the Hopewell Fire Department.	Hopewell VA	\$1,700
Virginia Department of Transportation (VDOT)	The City of Hopewell seeks \$8,800,000 in DOT HIP funding with \$2,200,000 in local match to support the construction of the Courthouse Road Pedestrian Improvements project.	Hopewell VA	\$8,800
Appalachia Service Project	Funding for construction materials and supplies for emergency home repair or new construction for individuals below the federal poverty line in southwest Virginia.	Lee, Wise, Dickenson Counties VA	\$210
Capital Area Food Bank	Funding will be used to construct a new, state-of-the-art, food bank in Lorton, Virginia that will be overseen by the Capital Area Food Bank.	Lorton VA	\$5,000
Virginia Department of Transportation (VDOT)	This project provides for sidewalks, shared-use trails, crosswalks, and intersection improvements to enhance pedestrian access to Silver Line Metro Stations in Loudoun County.	Loudoun County VA	\$2,000
Virginia Department of Transportation (VDOT)	This project provides funding for construction and easement acquisition to complete sidewalks and trails needed to connect Franklin Park to the Town of Purcellville.	Loudoun County VA	\$1,000
Virginia Department of Transportation (VDOT)	This project provides for design, land acquisition, utility relocation, and construction of a compressed, urban diamond interchange at Route 7 at Hillsboro Road west of Purcellville, and roundabouts at the ramp termini.	Loudoun County VA	\$4,000
Virginia Department of Transportation (VDOT)	The project will complete the Lambert Way - Woodman Road extension. This road creates an access point to Glover Park, promoting sports tourism for the County and region.	Loudoun County VA	\$5,000
Virginia Department of Transportation (VDOT)	To conduct a pilot project to develop a driving surface aggregate material for Virginia's unpaved roads.	Loudoun County VA	\$1,000
Young Men's Christian Association of Central Virgi	To expand the capacity and services of the downtown YMCA.	Lynchburg VA	\$3,000
Central VA Fund for Economic Education and Improve	Provide resources to implement the first steps of a redevelopment master plan for the Central Virginia Training Center in Madison Heights, Virginia, which will create significant economic benefits, opportunities, and jobs for the city of Lynchburg and the greater Central Virginia region.	Lynchburg VA	\$1,950
Virginia Department of Transportation (VDOT)	Route 28/Centreville Road Innovative Intersections Design Engineering.	Manassas Park VA	\$3,300

Marion Economic Development Authority	To rehabilitate blighted, abandoned and underutilized properties to provide more affordable homeownership opportunities to LMI households.	Marion VA	\$1,000
Virginia Department of Transportation (VDOT)	To expand Beaver Creek Drive in the Patriot Centre Business Park.	Martinsville, Henry County VA	\$3,967
Virginia Passenger Rail Authority	The purpose of the project is to advance rail into the New River Valley by studying where the new train platforms should go.	Montgomery County VA	\$10,000
City of Newport News	Funding will be used to establish the Health and Wellness Trail project in Newport News, Virginia. This project will consist of a dedicated, multi-use path in Newport News that includes recreational, place-making enhancements directly accessible to community residents and visitors.	Newport News VA	\$4,000
Virginia Passenger Rail Authority	The purpose of the project is to complete the Newport News Transportation Center, a multimodal facility, serving intercity rail, pedestrians, bicycles, airport shuttles, Hampton Roads Transit buses, and long-distance bus carriers.	Newport News VA	\$1,200
City of Norfolk	To construct a Hampton Roads Transit (HRT) Bus Transfer Center on W Ocean View Avenue in Norfolk at a more highly visible location to ensure a safer bus patron environment.	Norfolk VA	\$500
Hampton Roads Transit	To purchase paratransit vehicles for Hampton Roads Transit to better serve riders with disabilities.	Norfolk and multiple jurisdictions in Hampton Road VA	\$2,240
Southside Community Development & Housing Corporation	To provide permanent supportive housing for individuals experiencing homelessness.	Petersburg VA	\$500
Virginia Port Authority	To enable the development of an offshore wind hub that creates economic development and jobs for the region.	Portsmouth VA	\$19,978
Virginia Department of Transportation (VDOT)	This transportation safety improvement project consists of constructing a one-lane Roundabout with a by-pass lane for through traffic at the intersection of Jefferson Park Road and Middle Road in Prince George County, VA.	Prince George County VA	\$3,541
Virginia Department of Transportation (VDOT)	The purpose of the project is to build a pedestrian bridge across a busy six-lane section of US Route 1 to connect the planned North Woodbridge Town Center to High-Capacity Transit at the Woodbridge VRE Station.	Prince William County VA	\$4,800
Virginia Department of Transportation (VDOT)	The project will construct a sidewalk between the heavily utilized Horner Road Commuter Lot and dense residential areas located off the intersection of Prince William Parkway and Summerland Drive.	Prince William County VA	\$2,592
Town of Pulaski	This funding will be used to construct various components of the Calfee Community & Cultural Center in Pulaski, Virginia, including a childcare program, digital learning lab for children, and a community kitchen.	Pulaski VA	\$1,232
City of Richmond	To fund facility upgrades that will improve the safety and security of rail passengers and station visitors.	Richmond VA	\$700
Better Housing Coalition	To improve living conditions for residents of a section 8 housing community through property rehabilitation.	Richmond VA	\$1,000
Capital Region Airport Commission	The project's purpose is to replace Richmond International Airport's Aircraft Rescue and Fire Fighting Station. The current ARFF was built in 1980 and has many problems.	Richmond VA	\$5,000
City of Richmond	To fund planning, outreach, design and construction of 1.9 miles of Richmond's North-South line to provide better transit options to Richmond's residents and visitors alike.	Richmond VA	\$3,000

Virginia Biotechnology Research Partnership Author	Funding will be used to construct the Life Sciences Innovation Center and Laboratory in Richmond, VA and will be overseen by the Virginia Biotechnology Research Partnership Authority.	Richmond VA	\$5,000
Greater Richmond Transit Company (GRTC)	The purpose of the project is to improve shelters, benches, and ADA compliance of GRTC's bus stations.	Richmond VA	\$3,600
HumanKind	To expand access to affordable transportation options to enable work.	Richmond, Roanoke and surrounding regions VA	\$1,200
Virginia Department of Transportation (VDOT)	The purpose of the project is to replace the Wiley Drive Bridge, which is prone to flooding.	Roanoke VA	\$2,500
Empowerhouse	To purchase a generator to power a domestic violence shelter during a power outage.	Spotsylvania, King George, Fredericksburg City, Caroline and Stafford VA	\$40
Town of Tappahannock	This funding is for land acquisition and preliminary engineering and planning for two sites in Tappahannock, Virginia for replacement for the Town's historic steamboat wharf and redevelopment of the marina.	Tappahannock VA	\$2,500
Tazewell County	Funding will enhance the accessibility of an overlook to promote tourism and economic development.	Tazewell County VA	\$450
Wolf Trap Foundation for the Performing Arts	Funding would be used to address specific deferred maintenance needs at Wolf Trap National Park for the Performing Arts in Vienna, Virginia. This request reflects the highest priority deferred maintenance needs at Wolf Trap, including the replacement of electrical wiring at the Filene Center that is nearly 40 years old.	Vienna VA	\$3,000
Virginia Department of Transportation (VDOT)	The project includes the construction of roadway improvements along the existing alignment of Laskin Road from Red Robin Road to Oriole Drive for a length of approximately 0.6 miles, as well as minor improvements at Birdneck Road.	Virginia Beach VA	\$10,000
Virginia Department of Transportation (VDOT)	The City of Virginia Beach is requesting \$5 million to improve access to Sandbridge by providing a safer and more reliable alternate route to the Sandbridge area as well as providing a more resilient hurricane evacuation route for the Sandbridge residents.	Virginia Beach VA	\$5,000
Virginia Department of Transportation (VDOT)	This project will further analyze the I-264/Independence Boulevard interchange improvement alternatives, develop an Interchange Access Report (IAR), and implement the preferred interchange alternative as identified by the IAR.	Virginia Beach VA	\$10,000
Virginia Department of Transportation (VDOT)	This funding will be used to fund the completion of phase 1 of the Shenandoah Rail Trail, a proposed multi-use trail that will span three counties and nine towns along the Shenandoah Valley in Virginia.	Warren, Shenandoah and Rockingham counties VA	\$5,900
Waynesboro Family YMCA	Funds are being requested to assist in the renovation of an existing YMCA facility.	Waynesboro VA	\$3,000
Virginia Department of Transportation (VDOT)	Funding will be used for the building of a trailhead that will serve as the starting point for the Williamsburg African American Heritage Trail.	Williamsburg VA	\$327
