April 20, 2026

The Honorable Cindy Hyde-Smith  
Chairman  
Subcommittee on Transportation,  
Housing and Urban Development, and  
Related Agencies  
SD-131  
Washington, DC 20510

The Honorable Kirsten Gillibrand  
Ranking Member  
Subcommittee on Transportation,  
Housing and Urban Development,  
and Related Agencies  
SH-125  
Washington, DC 20510

Dear Chair Hyde-Smith and Ranking Member Gillibrand:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Transportation, Housing and Urban Development, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

MARK R. WARNER  
United States Senator

Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
True Ground Housing Partners, Inc.	The project will construct affordable senior housing serving lower-income residents, with on-site services such as social programming, food access support, and connections to community resources.	Arlington County VA	\$1,050
Virginia Department of Transportation	Funding will be used to make improvements to the Woodrow Wilson Complex to increase access, reduce congestion, and improve safety.	Augusta County VA	\$9,082
Southside Virginia Community College	The project will support the development of training infrastructure to prepare emergency communications personnel and strengthen public safety capacity.	Brunswick County VA	\$1,500
Virginia Department of Transportation	Funding will be used to add fourth lanes to 3.98 miles of US 460 Connector Phase II within Corridor Q in Buchanan County.	Buchanan County VA	\$7,000
Town of Brookneal	The project will replace outdated fire hydrants to improve fire protection capabilities, water system reliability, and public safety.	Campbell County VA	\$250
Caroline County	Funding will be used to improve safety, operational issues, and lane capacity of the existing bridge and interchange ramps at Exit 110/I-95 Interchange.	Caroline County VA	\$10,000
Habitat for Humanity of Greater Charlottesville	The project will support site work for the construction of affordable for-sale homes, expanding housing access and supporting new housing development.	Charlottesville City VA	\$547
Piedmont Housing Alliance	The project will support the development of mixed-income housing, including rental and homeownership opportunities, along with community-serving retail and commercial space as part of a broader multi-phase redevelopment.	Charlottesville City VA	\$1,800
The City of Chesapeake	The project will improve pedestrian infrastructure to enhance connectivity between residential areas and nearby transit and commercial corridors.	Chesapeake City VA	\$740
City of Poquoson	Funding will be used to extend a sidewalk from Wythe Creek Road to Woodland Road in Poquoson City to improve pedestrian safety and increase connectivity to schools, businesses, and services.	City of Poquoson VA	\$810
Roanoke Regional Airport Commission	Funding will be used to conduct a feasibility study to determine the appropriate design and cost of a runway extension and runway modernization project to meet Federal Aviation Administration runway safety standards.	City of Roanoke VA	\$7,000
Roanoke Regional Airport Commission	The project will modernize 40-year-old building systems with modern energy-efficient infrastructure and common use equipment and resolve ADA noncompliance issues.	City of Roanoke VA	\$8,500
Virginia Department of Transportation	The purpose of the project is to construct a two-lane, undivided roadway with shoulders, on-road bike lanes, and connectivity in Virginia Beach City.	City of Virginia Beach VA	\$5,000
Virginia Department of Transportation	Funding will be used to make pedestrian safety improvements at the crosswalks surrounding the William & Mary campus and the downtown retail areas.	City of Williamsburg VA	\$400
City of Emporia	The project will create a local shared workspace to promote economic development in an underserved area.	City of Emporia VA	\$5,500

Pathway Homes	The project will support the renovation of a facility to create supportive housing and a centralized community hub for older adults with significant health and housing needs.	Fairfax City VA	\$1,500
Fairfax County Government	The project will support site restoration through removal of invasive vegetation and planting of native trees to enhance environmental resilience and reduce long-term maintenance needs.	Fairfax County VA	\$1,000
Fairfax County Government	The project will support a feasibility study on battery backup systems for critical government sites to enhance resilience and ensure continuity of essential services.	Fairfax County VA	\$500
Town of Vienna	The project will support the acquisition and improvement of properties to develop a regional trail facility and preserve a historic structure.	Fairfax County VA	\$2,000
City of Falls Church	The project will support the acquisition and preservation of existing rental properties to maintain long-term affordability and protect access to housing for lower-income residents.	Falls Church City VA	\$1,100
Easter Seals Serving DC/MD/VA, Inc.	This project will support improvements to a child development center to enhance early learning environments	Falls Church City VA	\$250
Hero's Bridge	The project will develop an affordable housing community for aging veterans, providing safe, accessible housing and supportive services for lower-income residents.	Fauquier County VA	\$1,750
Town of Floyd	The project will remediate and redevelop a former industrial site into a mixed-use development with housing and commercial space.	Floyd County VA	\$300
Fredericksburg City Public Schools	The project will support the construction of training facilities to expand access to skilled trades and technology education and connect students to career pathways.	Fredericksburg City VA	\$2,000
Tri-County Community Action Agency	The project will support the development of affordable housing to address housing shortages and improve access to stable housing for underserved residents.	Halifax County VA	\$2,200
VersAbility Resources, Inc.	The project will rehabilitate a building to support workforce training programs and help develop a skilled workforce for high-demand industries.	Hampton City VA	\$5,000
Harrisonburg Redevelopment and Housing Authority	The project will support the construction of affordable rental housing for lower-income households, including units designed to be accessible and meet a range of mobility and sensory needs.	Harrisonburg City VA	\$2,000
Capital Region Airport Commission: Richmond International Airport	The project will replace the inefficient incandescent edge lights along Richmond International Airports two runways to reduce operational costs and improve a runway safety.	Henrico County VA	\$2,700
Henrico County, Virginia	The project will develop a multi-use trail to enhance access to recreational spaces and connect key natural and historical areas.	Henrico County VA	\$5,000
Tazewell County, Virginia	The project will advance development of a pad-ready strategic greenfield site adjacent to the Richmond International Airport, supporting strategic aerospace and advance manufacturing by extending public water and sewer utility connections.	Henrico County VA	\$1,815
City of Refuge Hopewell	The project will support the acquisition and renovation of facilities to provide emergency shelter and recovery housing for individuals experiencing homelessness.	Hopewell City VA	\$433
Town of Leesburg	Funding will be used to design a permanent air traffic control tower at the Leesburg Executive Airport.	Loudoun County VA	\$16,500

Fluvanna-Louisa Housing Foundation	The project will develop affordable rental housing to serve lower-income seniors and local workforce residents in need of stable housing.	Louisa County VA	\$1,580
United Way of Central Virginia	The project will renovate a former grocery store into a regional childcare and workforce center to expand childcare capacity, support workforce participation, and create local jobs.	Lynchburg City VA	\$900
County of Henry, Virginia	The project will support site preparation and utility installation to enable future development and economic activity.	Martinsville City VA	\$2,364
City of Newport News	The project will establish a vegetative barrier to mitigate environmental impacts and improve air quality for surrounding communities.	Newport News City VA	\$2,500
City of Newport News	The project will support housing rehabilitation efforts to address aging housing stock and improve living conditions.	Newport News City VA	\$1,000
City of Newport News	The project will develop a training center to expand aviation workforce development and support growth in the aerospace and aviation sectors.	Newport News City VA	\$3,000
City of Norfolk	The project will support upgrades and expansion of an emergency shelter facility to improve infrastructure and enhance the delivery of supportive services for individuals experiencing homelessness.	Norfolk City VA	\$1,500
Northampton County Public Schools	Supports workforce development efforts by preparing students for high-demand technical careers tied to Wallops Island and regional industry expansion.	Northampton County VA	\$6,800
Richard Bland College of William & Mary	The project will support the construction of a maternal health facility and a pathway to improve access to care for underserved families.	Petersburg City VA	\$3,000
Mercy Chefs Inc.	The project will support the expansion of a community kitchen to increase food distribution capacity and provide workforce and life-skills training to better serve food-insecure residents.	Portsmouth City VA	\$1,620
STEPS, Inc.	The project will construct and operate a small community of micro-homes to provide transitional housing and supportive services for individuals working toward stable, long-term housing.	Prince Edward County VA	\$1,000
Mary E. Branch Heritage Center	The project will convert a building into a multi-purpose community center offering tutoring, youth programs, financial literacy, and other supportive services for residents.	Prince Edward County VA	\$7,981
Prince William County Community Foundation	The project will expand community-based food distribution through mobile and school-based initiatives to improve access to food for underserved communities.	Prince William County VA	\$301
Prince William County Government	The project will provide emergency shelter and supportive services for adults experiencing homelessness, improving coordination among service providers and helping individuals transition to stable housing.	Prince William County VA	\$2,000
Virginia Department of Transportation	Funding will be used to construct a pedestrian bridge across U.S. Route 1 to connect the North Woodbridge Town Center to high-capacity transit at the VRE station.	Prince William County VA	\$2,000
Virginia Department of Transportation	Funding will be used to construct a shared-use trail closing critical gap in the PHNST to improve bicycle safety and pedestrian connectivity between Prince William Forest Park, the National Museum of the Marine Corps, and regional trails.	Prince William County VA	\$1,200
Richmond Metropolitan Habitat for Humanity, Inc	The project will develop affordable homes on underutilized land to expand homeownership opportunities for lower-income households.	Richmond City VA	\$2,500

City of Richmond	The project will redevelop an underutilized community facility into a childcare center to improve access to childcare and support local workforce needs.	Richmond City VA	\$2,000
Richmond Public Schools	The project will support the development of career and technical education facilities to expand access to workforce training.	Richmond City VA	\$5,500
The Industrial Development Authority of Russell County, VA	The project will convert a former manufacturing facility into a housing production center to create jobs, support workforce training, and increase housing production.	Russell County VA	\$1,452
Virginia Department of Transportation	The project will construct a dual southbound left turn from U.S. Route 1 to I-95 Southbound and widen the I-95 Southbound onramp to two lanes to provide access to the newly opened Veteran's Affairs Healthcare Clinic, enhancing safety, reducing congestion.	Spotsylvania County VA	\$3,383
Virginia Department of Transportation	This project will widen American Legion Road and Eskimo Hill Road to construct left turn lanes onto Richmond Highway (US-1).	Stafford County VA	\$2,000
Virginia Department of Transportation	Funding will be used to add additional turn lanes, a new connector road, a sidewalk, a shared-use path, and crosswalks along Layhill Road.	Stafford County VA	\$1,000
Appalachia Service Project	The project will support the repair or reconstruction of single-family homes impacted by catastrophic flooding, along with critical facility upgrades to strengthen disaster response capacity.	Statewide/Multiple Locations VA	\$1,000
Hampton Roads Transit	Funding will be used to purchase ten Mobile Telescoping Security Unit (MTSU) apparatus' and deploy them at bus stops and bus facilities across Hampton Road Transit's service area to improve safety.	Statewide/Multiple Locations VA	\$1,125
United Way of Northern Shenandoah Valley	The project will rehabilitate owner-occupied homes to address critical health and safety needs, preserve affordable housing, and prevent displacement.	Statewide/Multiple Locations VA	\$1,500
Staunton Redevelopment and Housing Authority	The project will convert a vacant church building into affordable housing units for veterans and other low-income households, with on-site supportive services.	Staunton City VA	\$1,000
City of Suffolk	The project will support the design and construction of a new police precinct to improve public safety services and response capabilities.	Suffolk City VA	\$3,500
Tazewell County, Virginia	The project will construct a new childcare facility to address a shortage of licensed childcare capacity, expanding access and supporting workforce participation.	Tazewell County VA	\$1,563
Virginia Department of Transportation	The purpose of the project is to support improvements to a heavily congested, high-accident, grade-separated interchange along a major commuter route to support traffic volumes and improve safety.	Town of Leesburg VA	\$4,600
Town of Pulaski	The project will acquire and demolish blighted residential properties to address safety concerns and support future housing development.	Town of Pulaski VA	\$1,000
City of Virginia Beach	The project will develop a multi-use trail to expand recreational access and improve connectivity.	Virginia Beach City VA	\$10,000
Joint IDA of Wythe County	The project will rehabilitate a blighted downtown building into workforce housing units and ground-floor commercial space.	Wythe County VA	\$1,097
